

QUESTIONS

- How do you ensure safety when conducting lake activities? All children will go through a health and safety briefing? All children will be required to wear a life jacket and adopt the buddy system. Counselors and assistants will make sure that the safety protocol is followed at all times.
- Are the activities segregated into age groups? No, the groups will be divided by ability and age. Grouping is done in a way that it benefits all children.
- What happens if my child gets sick or injured at the camp? Your child will be sent to see a local doctor immediately. All costs are covered by the parents. Therefore, insurance is mandatory.
- Do I get to talk to my children while they are in camp? nightly group conferences will be available for parents to talk to children.
